

Denton Airport West Parallel Runway Project

Guest Speakers

Mark Nelson
Director of Transportation & Aviation

Scott Gray
Denton Airport Manager

The West Runway will be an auxiliary runway when completed, currently scheduled for completion for Q3 of CY 2018. Other than it being a new runway, it is important that it will provide auxiliary capacity for a proposed partial reconstruction of the primary runway that would be initiated in FY 18/19.

Join us to learn about:

- Project phasing of West Runway to maintain operational integrity of the airport
- Future reconstruct of primary runway
- Opportunities for construction service professionals
- How to do business with the City of Denton
