is

## *Awarding Scholarship Funds*

**Two \$4,000 Scholarships & Four \$2,000 Scholarships will be awarded.**

Scholarship applications are open to any student enrolled in a construction sciences or construction management program for the 2016 Fall Semester, that meet the selection criteria below.

### **SELECTION CRITERIA**

- Student must have permanent residence in the North Texas Area
- Good academic standing as demonstrated by official university transcripts and meet all application requirements
- A statement of professional goals following graduation to be included on the application essay
- Students graduating prior to the Fall semester of 2016 are NOT eligible to participate.

### **THE AWARD**

CMAA North Texas Chapter may award one (1) scholarship per participating educational institutions at the May 2016 CMAA Gala. The event is held at the La Cima Club on 5215 N. O'Conner Boulevard, Suite 2600, Irving, TX 75039. The option for scholarship distribution is direct payment to the student's university Financial Aid office to be used to offset tuition expenses.

### **POST-SELECTION REQUIREMENTS**

Following selection of the CMAA Scholarship, the receiving student will be expected to maintain an active alliance with CMAA by: submitting bi-monthly (every two months) statements on their educational progress and activities for the CMAA newsletter or online forum, as well as active involvement with the CMAA student Chapter where available.

### **DEADLINE**

Submit completed application via e-mail to the appropriate university representative no later than **March 1, 2016 by 3:00PM CT**. Applications may be obtained from the university representatives, listed below:

Dr. Mohammad Najafi, University of Texas at Arlington, [najafi@uta.edu](mailto:najafi@uta.edu)
