

2019 PROJECT ACHIEVEMENT AWARD PROGRAM

HOSTED by

The 5th Annual Construction Management Project Achievement Awards program recognizes outstanding achievement in the practice of construction management. The awards program is designed to recognize and promote professionalism and excellence in the management of the construction process. Awards will be given to Texas-based CM practitioners for projects and programs that reflect this mission. To be eligible, projects, programs, or program phases must have achieved substantial, final, or a major phase completion during **January 2018–January 2019**. **This competition is open to all Texas-based CM/PM Firms.** Multiple entries from one firm are accepted. Entries may be submitted in more than one category and may be awarded in more than one category. Separate nomination packages and entry fees must be submitted for each category of nomination, if submitted in more than one category.

All projects must be constructed by firms based in the State of Texas.

Entry Requirements

Each entry shall be delivered to the address below and shall consist of the following:

1. The 2019 Project Achievement Entry Form along with the entry fee. (Checks only)
2. The project submission package must be submitted on a Flash Drive in Word or PDF format. Ensure the Flash Drive clearly shows the name of the project and submitting company. (See Entry Requirements below for details)
3. Include on the Flash Drive, a separate Word file, containing a one-paragraph description of the project, highlighting the significant points of the project.
4. Include at least 3-4 pictures of the project as high-resolution JPG or EPS files.

Write all narratives clearly and concisely. Provide information that best illustrates the merits of the entry with respect to the criteria. Complete all questions as each criterion will be evaluated and missing information will have an adverse effect on your score. Indicate N/A if a question is not applicable. The weight in scoring for each tabbed section is included in the requirements along with the maximum number of narrative pages allotted for each tabbed section. Be aware that if the text in a section is longer than the specified page limit, only the number of pages within the limit will be judged.

You are encouraged to supplement the entry with printed images and other supporting material such as press reports, awards information and recognition, and letters from clients. All supplemental materials must be contained within the project submission package; however, any supplemental materials you submit are not included in the maximum page limits stipulated for each tabbed section. For photographs, please include full credit information.
